VO:

Small businesses are the heart of America.

Like you, these entrepreneurs started out with a dream and the drive to build a better life.

If you have a small business idea to grow or challenge to face, you don't have to go it alone.

Since 1964, SCORE has helped millions of entrepreneurs build their businesses. Today, they are the nation's largest nonprofit source of expert mentoring, resources, and education.

Whether you are starting out, building back, or have worked at it for years, SCORE will match you with specialized mentors — our thousands of volunteers provide the guidance and connections you need — **for free.**

Your success is waiting.

SCORE is ready to help.
