

Make Compassion Your Lifestyle

Every choice you make matters. Whether you're buying food, visiting a zoo, watching a film or supporting animal-focused experiences, your decisions can promote the humane treatment of animals.

Our certification programs help ensure animals are treated with care, dignity and respect. Each mark is more than a symbol—it's a commitment to a humane lifestyle.

LEARN MORE!

Look for the American Humane Certified™ mark when you shop, visit or explore.

**Together, we make the world better
for all animals.**

Animals from Opel Zoo, a Humane Certified™ facility.
