

WE DON'T WAIT FOR CHANGE. WE LEAD IT.

Leadership isn't about rank. It's about showing up – again and again – even when others don't. From the front lines of combat to the front lines of advocacy for veterans, service members and their families, our work isn't just for show – it's real action with real results.

From our nation's capital to our hometowns, we show up every day to ensure the voices of America's heroes are heard, to drive legislation and to help shape policies that protect and empower all those who've the uniform. Advocacy is the new front line, and we're proud to lead it. Get involved at **StillServing.org**.
